## The Location

Overlooking its own beautiful 2,000 acre Northamptonshire estate sits Holdenby House, a stately home whose royal connections go back to the 16th century. Built by Sir Christopher Hatton to entertain Elizabeth I, it became the palace of James I and the prison of his son Charles I. Now a family home, the house is a splendid backdrop for this great event.

## The Shoot

The shoot will consist of a team competition in the historic park at Holdenby comprising 4 sporting stands and 100 bird flush.

Also on offer will be a "Have A Go Stand" to help get your eye in, a Pool Shoot with a cash prize and new for 2013 a Semi Automatic Stand! 1 Clay; 8 shots at it!!

Individuals are invited to shoot the sporting stands to record their scores with a chance to win the Individual High Gun prize.

## Format of the day

Bacon rolls with tea and coffee will be available from 9.30am with shooting starting at 10am. Times will not be allocated so do feel free to come later in the morning. Shooting will break at 2.00pm for lunch in the marquee, during which an auction will take place. All proceeds from the auction will be donated to the Warwickshire & Northamptonshire Air Ambulance.

After lunch competitors will have the chance to shoot again and shoot offs will be held, followed by prize giving in the marquee.
